SKINNY Office

Download and Install 7-ZIP

7-Zip is the recommended application to extract encrypted Zip files.
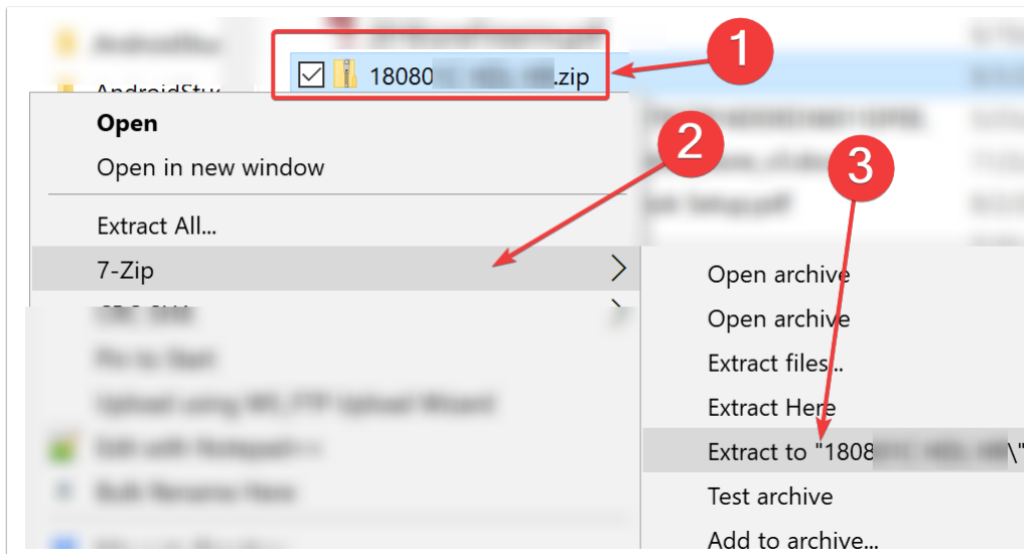

7-Zip website:

https://www.7-zip.org/

64-bit download link:

https://www.7-zip.org/a/7z1805-x64.exe

Extract Files

1. Locate the Zip file to be extracted and right click on the file.

2. Follow the menu that pops up down to the **7-Zip** menu.

3. Expand the 7-Zip menu to the **Extract to** menu and click that.

You will then be prompted to enter a password to extract the files. The files will be placed in a directory with the same name as the Zip file.
